## ABOUT OUR FOUNDER

Marge Austin founded Kids Fun and Drama in the Fall of 1989 and remained actively involved until the spring of 2020. Sadly, we lost our beloved leader April 8, 2021. For more than 31 years she generously gave of her time and talent to bring music education, acting, and dance to thousands of children in Beloit and the surrounding area. Although initially created for her four granddaughters, KFAD became a spiritual mission for Marge. She worked tirelessly to gather the necessary resources so that when she was "pushing up daisies" KFAD would continue to be a music education resource for the Beloit area. Marge believed in community service and giving back to one's community. We are honored to carry on Marge's legacy of providing theater education for children regardless of financial circumstance. We hope that Marge is smiling down on us as we strive to carry out her mission and vision into the future.

## KFAD MISSION

Kids Fun and Drama has established a mission & purpose of promoting the performing arts of theater, dance & music to children through teaching, training & performance. KFAD is a not for profit 501(c) 3 youth theater group governed by a volunteer board of directors.

## DIRECTORS NOTE

Hello to KFAD families and supporters! My name is Tara Maenner and I live in Milton WI but grew up in West Bend WI. I have been married for 25 years and have two children in college. I have been involved in music and theater since I was a little girl and throughout my middle and high school.

After high school I went to UW-EauClaire for music and theatre performance.

I went on to perform in many shows in dinner theatre and even was involved in a few movies. Around the same time I was hired to teach a musical theatre class for 7th and 8th graders at a parochial school and fell in love with sharing the fun and adventure of performance. I went back to school to get my teaching licence at Mount Mary College and was hired to teach at Jefferson Elementary in Janesville. When the choral music teaching position at Franklin Middle School opened up three years later, I applied and have been there for 26 years. I have enjoyed directing choir, show choir, numerous musicals, plays, and talent shows over the years but I will be retiring this June. When the opportunity arose to work at KFAD it seemed like a fun new adventure with theatre, and it really has been! What a wonderful community of kids, parents, board members and supporters. Everyone works so hard to make this program succeed and it's been such a wonderful experience! Thanks to all for doing everything that needed to be done, and I know you will enjoy the show!

# The Magic of Kids Fun and Drama: “It’s a Way of Life!”

Kids Fun & Drama (KFAD) is a not-for-profit children’s theatre group located in Beloit, Wisconsin. Each year KFAD puts on two musicals, one in the spring and one in the fall. The kids of KFAD also get involved in community service projects like Christmas caroling to area nursing homes, as well as other public performances. In the KFAD program, your child will learn acting, vocal, and dance skills, as well as how to work with a team of kids who share their passion for the theatre arts. Ask any child involved with Kids Fun & Drama and they will tell you, “Theatre is more than just an extracurricular activity; it’s a way of life!” From the day they register until opening night, an amazing transformation happens within a child. Theatre encourages young

people to develop a positive self-image as they increase awareness of their physical being. Along with improving coordination skills theatre encourages self-expression, concentration, communication skills and enhances imagination. Kids Fun & Drama is in the business of teaching and changing the lives of young people. Our vision is for all children to have access to great theater experiences that nourish their imaginations and encourage their innate creativity. Your support can directly make an impact and instill a love for the performing arts that will last a lifetime. We ask you to consider opening a world of imagination and creativity for children by completing the form below to make your tax deductible donation.
